

TODAY'S STANDARD

Weathering & Rate of Erosion

"Make observations and/or measurements to provide evidence of the effects of weathering or the rate of erosion by water, ice, wind, or vegetation."

TODAY'S LEARNING GOAL

Weathering & Rate of Erosion

I *can*...

watch water, wind, or
ice slowly change the
land.

TODAY'S LEARNING GOAL

Weathering & Rate of Erosion

I *can...*

measure how fast
erosion happens in
different conditions.

TODAY'S LEARNING GOAL

Weathering & Rate of Erosion

I *can*...

show that plant roots
can speed up or slow
down erosion.

TODAY'S LEARNING GOALS

*Weathering & Rate of Erosion***I** *can...*

- watch water, wind, or ice slowly change the land.
- measure how fast erosion happens in different conditions.
- show that plant roots can speed up or slow down erosion.
