

TODAY'S STANDARD

Earth's Features

"Analyze and interpret data from maps to describe patterns of Earth's features."

TODAY'S LEARNING GOAL

Earth's Features

I *can...*

read a map to find
mountains, rivers,
and oceans.

TODAY'S LEARNING GOAL

Earth's Features

I *can...*

look for patterns in
where Earth's
features show up.

TODAY'S LEARNING GOAL

Earth's Features

I *can...*

describe what those
patterns tell me about
Earth.

TODAY'S LEARNING GOALS

Earth's Features

I can...

- read a map to find mountains, rivers, and oceans.
- look for patterns in where Earth's features show up.
- describe what those patterns tell me about Earth.
