

TODAY'S STANDARD

*Speed & Energy*

Use evidence to  
construct an explanation  
relating the speed of an  
object to the energy of  
that object.

TODAY'S LEARNING GOAL

*Speed & Energy*

**I** *can...*

watch how fast  
objects move and  
compare their speeds.

TODAY'S LEARNING GOAL

*Speed & Energy*

**I** *can...*

use my evidence to  
show that faster objects  
have more energy.

TODAY'S LEARNING GOAL

*Speed & Energy*

**I** *can...*

explain why speed  
and energy go  
together.

## TODAY'S LEARNING GOALS

*Speed & Energy***I can...**

- watch how fast objects move and compare their speeds.
- use my evidence to show that faster objects have more energy.
- explain why speed and energy go together.
