

## TODAY'S STANDARD

*Interactions of Air Masses*

Collect data to provide evidence for how the motions and complex interactions of air masses result in changes in weather conditions.

TODAY'S LEARNING GOAL

*Interactions of Air Masses*

**I** *can...*

collect weather data  
over time and look for  
patterns.

TODAY'S LEARNING GOAL

*Interactions of Air Masses*

**I** *can...*

explain how moving  
air masses cause  
changes in weather.

TODAY'S LEARNING GOAL

*Interactions of Air Masses*

**I** *can...*

predict the weather  
using what I see on a  
weather map.

## TODAY'S LEARNING GOALS

*Interactions of Air Masses***I can...**

- collect weather data over time and look for patterns.
- explain how moving air masses cause changes in weather.
- predict the weather using what I see on a weather map.
