

## TODAY'S STANDARD

*Evaluating Design Solutions*

Evaluate competing design solutions using a systematic process to determine how well they meet the criteria and constraints of the problem.

TODAY'S LEARNING GOAL

*Evaluating Design Solutions*

**I** *can*...

compare several  
design solutions to  
the same problem.

TODAY'S LEARNING GOAL

*Evaluating Design Solutions*

**I** *can...*

use a chart or rubric  
to evaluate each one  
against the criteria.

TODAY'S LEARNING GOAL

*Evaluating Design Solutions*

**I** *can...*

argue which solution  
best meets the criteria  
and constraints.

## TODAY'S LEARNING GOALS

*Evaluating Design Solutions***I** *can...*

- compare several design solutions to the same problem.
- use a chart or rubric to evaluate each one against the criteria.
- argue which solution best meets the criteria and constraints.
