

TODAY'S STANDARD

Kinetic Energy

Construct and interpret graphical displays of data to describe the relationships of kinetic energy to the mass of an object and to the speed of an object.

TODAY'S LEARNING GOAL

Kinetic Energy

I *can...*

build a graph that shows how mass affects kinetic energy.

TODAY'S LEARNING GOAL

Kinetic Energy

I *can...*

build another graph
that shows how speed
affects kinetic energy.

TODAY'S LEARNING GOAL

Kinetic Energy

I *can*...

interpret my graphs to describe what changes the energy of motion the most.

TODAY'S LEARNING GOALS

Kinetic Energy

I can...

- build a graph that shows how mass affects kinetic energy.
- build another graph that shows how speed affects kinetic energy.
- interpret my graphs to describe what changes the energy of motion the most.
