

TODAY'S STANDARD

Thermal Energy Transfer

Apply scientific principles to design, construct, and test a device that either minimizes or maximizes thermal energy transfer.

TODAY'S LEARNING GOAL

Thermal Energy Transfer

I *can...*

design a device that
traps or releases heat
as much as possible.

TODAY'S LEARNING GOAL

Thermal Energy Transfer

I *can...*

construct and test my
device to see how
well it works.

TODAY'S LEARNING GOAL

Thermal Energy Transfer

I *can...*

use my data to
improve the design.

TODAY'S LEARNING GOALS

Thermal Energy Transfer

I can...

- design a device that traps or releases heat as much as possible.
- construct and test my device to see how well it works.
- use my data to improve the design.
