

TODAY'S STANDARD

Conductors & Insulators

Identify conductors and insulators of thermal and electrical energy; and

TODAY'S LEARNING GOAL

Conductors & Insulators

I can...

test materials to see which ones let heat or electricity pass through easily.

TODAY'S LEARNING GOAL

Conductors & Insulators

I can...

sort everyday objects into
conductors and insulators.

TODAY'S LEARNING GOAL

Conductors & Insulators

I *can*...

explain why we use
insulators to stay safe and
conductors to make things
work.

TODAY'S LEARNING GOALS

*Conductors & Insulators***I can...**

- test materials to see which ones let heat or electricity pass through easily.
- sort everyday objects into conductors and insulators.
- explain why we use insulators to stay safe and conductors to make things work.
