

TODAY'S STANDARD

Phases of the Moon

Collect and analyze data to identify sequences and predict patterns of change in the observable appearance of the Moon from Earth.

TODAY'S LEARNING GOAL

Phases of the Moon

I *can*...

track the shape of the
Moon over a month and
notice the pattern.

TODAY'S LEARNING GOAL

Phases of the Moon

I *can*...

predict what the Moon will look like next week using the pattern I found.

TODAY'S LEARNING GOAL

Phases of the Moon

I *can*...

name the main phases the Moon cycles through as I watch it from Earth.

TODAY'S LEARNING GOALS

*Phases of the Moon***I can...**

- track the shape of the Moon over a month and notice the pattern.
- predict what the Moon will look like next week using the pattern I found.
- name the main phases the Moon cycles through as I watch it from Earth.
