

TODAY'S STANDARD

Behavioral Traits

Explain how instinctual behavioral traits such as turtle hatchlings returning to the sea and learned behavioral traits such as orcas hunting in packs increase chances of survival.

TODAY'S LEARNING GOAL

Behavioral Traits

I *can*...

tell the difference between
instinctual behaviors and
learned behaviors.

TODAY'S LEARNING GOAL

Behavioral Traits

I *can*...

explain how each kind of behavior helps an organism survive.

TODAY'S LEARNING GOAL

Behavioral Traits

I *can*...

give real examples like turtles returning to the sea or orcas hunting in packs.

TODAY'S LEARNING GOALS

*Behavioral Traits***I can...**

- tell the difference between instinctual behaviors and learned behaviors.
- explain how each kind of behavior helps an organism survive.
- give real examples like turtles returning to the sea or orcas hunting in packs.
