

## TODAY'S STANDARD

*Properties of Mixtures*

Demonstrate and explain that some mixtures maintain physical properties of their substances such as iron filings and sand or sand and water;

## TODAY'S LEARNING GOAL

*Properties of Mixtures*

# I *can*...

build mixtures where each substance keeps its own properties.

## TODAY'S LEARNING GOAL

*Properties of Mixtures*

# I *can*...

show how I can separate a mixture like sand and iron filings using those properties.

## TODAY'S LEARNING GOAL

*Properties of Mixtures*

# I *can*...

explain why mixing things together doesn't always change what they are.

## TODAY'S LEARNING GOALS

*Properties of Mixtures***I** *can...*

- build mixtures where each substance keeps its own properties.
- show how I can separate a mixture like sand and iron filings using those properties.
- explain why mixing things together doesn't always change what they are.
