

TODAY'S STANDARD

Properties of Solutions

Compare the properties of substances before and after they are combined into a solution and demonstrate that matter is conserved in solutions; and

TODAY'S LEARNING GOAL

Properties of Solutions

I *can*...

compare a solution to the substances that made it before they were combined.

TODAY'S LEARNING GOAL

Properties of Solutions

I *can*...

use a balance to show that mass is conserved when something dissolves.

TODAY'S LEARNING GOAL

Properties of Solutions

I *can*...

explain that the parts of a solution are still there even when I can't see them.

TODAY'S LEARNING GOALS

*Properties of Solutions***I** *can...*

- compare a solution to the substances that made it before they were combined.
- use a balance to show that mass is conserved when something dissolves.
- explain that the parts of a solution are still there even when I can't see them.
