

TODAY'S STANDARD

Illustrating Particles of Matter

Illustrate how matter is made up of particles that are too small to be seen such as air in a balloon.

TODAY'S LEARNING GOAL

Illustrating Particles of Matter

I *can*...

draw a model showing that matter is made of tiny particles I can't see.

TODAY'S LEARNING GOAL

Illustrating Particles of Matter

I *can*...

use the air-in-a-balloon
example to prove invisible
particles take up space.

TODAY'S LEARNING GOALS

*Illustrating Particles of Matter***I** *can...*

- draw a model showing that matter is made of tiny particles I can't see.
- use the air-in-a-balloon example to prove invisible particles take up space.
