

TODAY'S STANDARD

Speed & Velocity

Compare and contrast how the measurement of speed and velocity differ from each other, including the role of direction in velocity.

TODAY'S LEARNING GOAL

Speed & Velocity

I *can...*

compare and contrast
speed and velocity.

TODAY'S LEARNING GOAL

Speed & Velocity

I can...

explain why velocity needs a direction but speed does not.

TODAY'S LEARNING GOAL

Speed & Velocity

I can...

give an example where two objects have the same speed but different velocities.

TODAY'S LEARNING GOALS

*Speed & Velocity***I can...**

- compare and contrast speed and velocity.
- explain why velocity needs a direction but speed does not.
- give an example where two objects have the same speed but different velocities.
