

TODAY'S STANDARD

Temperature & Kinetic Energy

Explain the relationship between temperature and the average kinetic energy of the particles in a substance.

TODAY'S LEARNING GOAL

Temperature & Kinetic Energy

I can...

explain how temperature is connected to the average kinetic energy of particles.

TODAY'S LEARNING GOAL

Temperature & Kinetic Energy

I can...

predict how particle motion changes when temperature goes up or down.

TODAY'S LEARNING GOALS

*Temperature & Kinetic Energy***I can...**

- explain how temperature is connected to the average kinetic energy of particles.
- predict how particle motion changes when temperature goes up or down.
