

## TODAY'S STANDARD

*Atmospheric Movement*

Identify global patterns of atmospheric movement and how they influence local weather.

## TODAY'S LEARNING GOAL

*Atmospheric Movement*

# I *can*...

identify global wind and pressure patterns that move air around the planet.

## TODAY'S LEARNING GOAL

*Atmospheric Movement*

# I *can*...

explain how those global patterns shape the local weather I experience.

## TODAY'S LEARNING GOALS

*Atmospheric Movement***I can...**

- identify global wind and pressure patterns that move air around the planet.
- explain how those global patterns shape the local weather I experience.
