

TODAY'S STANDARD

Human Activities & Climate

Use scientific evidence to describe how human activities, including the release of greenhouse gases, deforestation, and urbanization, can influence climate.

TODAY'S LEARNING GOAL

Human Activities & Climate

I *can*...

use scientific evidence to describe how human activities change climate.

TODAY'S LEARNING GOAL

Human Activities & Climate

I *can*...

explain how greenhouse gas emissions, deforestation, and urbanization play a role.

TODAY'S LEARNING GOAL

Human Activities & Climate

I *can*...

connect specific human choices to specific climate changes we can measure.

TODAY'S LEARNING GOALS

*Human Activities & Climate***I can...**

- use scientific evidence to describe how human activities change climate.
- explain how greenhouse gas emissions, deforestation, and urbanization play a role.
- connect specific human choices to specific climate changes we can measure.
