

TODAY'S STANDARD

Transverse Waves

Compare the characteristics of amplitude, frequency, and wavelength in transverse waves, including the electromagnetic spectrum.

TODAY'S LEARNING GOAL

Transverse Waves

I *can*...

compare amplitude,
frequency, and wavelength
in transverse waves.

TODAY'S LEARNING GOAL

Transverse Waves

I *can*...

use these characteristics
to compare different parts
of the electromagnetic
spectrum.

TODAY'S LEARNING GOAL

Transverse Waves

I *can*...

label the parts of a transverse wave on a diagram.

TODAY'S LEARNING GOALS

*Transverse Waves***I can...**

- compare amplitude, frequency, and wavelength in transverse waves.
- use these characteristics to compare different parts of the electromagnetic spectrum.
- label the parts of a transverse wave on a diagram.
